

Welcome to my Portfolio!

I am a passionate web developer with a relentless drive to create exceptional experiences. My journey in the world of web development has been defined by a commitment to harnessing the power of code to transform ideas into stunning, functional, and user-friendly websites.

About Me!

I'm Carlos Echavez Jr., a recent BSIT graduate from University of Mindanao, passionate about front-end web development. During college, I discovered the power of web development, realizing its potential to blend creativity with technology.

My Skill Set!

- Front-End Technologies: HTML, CSS, JavaScript, ReactJS
- Back-End Technologies: PHP, Node.js
- Web Builder Tools: Wix, Wordpress
- Database Management: MySQL
- Version Control: Git/GitHub
- Responsive Design: Bootstrap, TailwindCSS

My Projects!

Academic Action Plan Monitoring Matrix System for the University of Mindanao

A capstone project we made for the University of Mindanao. Built with Bootstrap CSS for front-end and Laravel PHP for back-end.

LINK: NOT AVAILABLE

BeatsCycle Fitness Center

A booking class website for a fitness center. This was built using Wix web builder tool.

LINK: <https://www.beatscycledavao.com/>

Apollo Men's Wellness Center

A booking and company profile website for a clinic from Malaysia. This was built using Wix web builder tool.
